

2022 Bryan Petersen Scholarship Application

Ampers supports the concept that the survival and growth of radio broadcasting is dependent on talented and well-educated individuals pursuing careers related to broadcasting.

Ampers is pleased to announce the annual \$1,000 Bryan Petersen Memorial Scholarship awarded to an individual that is or will be pursuing a career in broadcasting through an institution of higher education in the State of Minnesota. The award will be issued to the educational institution in the winner's name to be applied towards tuition.

About Bryan Petersen

The scholarship is named for Bryan Petersen: 1938-1989.
