

2024 Bryan Petersen Scholarship Application

The Association of Minnesota Public Educational Radio Stations (AMPERS) supports the concept that the survival and growth of radio broadcasting are dependent on talented and well-educated individuals pursuing careers in broadcasting.

AMPERS is pleased to announce the annual \$1,000 Bryan Petersen Memorial Scholarship awarded to an individual who is or will be pursuing a career in broadcasting through an institution of higher education in the United States. This scholarship opportunity is open to any current resident of Minnesota. The award will be issued to the educational institution in the winner's name to be applied towards tuition.

About Bryan Petersen

The scholarship is named for Bryan Petersen: 1938-1989. Bryan was a founding member of AMPERS and was one of the leaders in persuading legislators of the need for the ongoing support of public radio in Minnesota. He was educated at Concordia College, Drew University, the New College Seminary in Edinburgh, Scotland, and Harvard Theological School.

Bryan was a community activist who worked with Latin American refugees, low-income housing, alternative energy, and a variety of community theatre programs. Bryan was largely responsible for the organizational direction, licensing, and power increases for Fresh Air Radio (KFAI) in Minneapolis. He served as a board member and president of Fresh Air Radio.
